Admission Requirements

Registration Forms are accepted on the understanding that pupils will not be offered a place until they have passed Farringtons School's entry requirements.

Early Years: All Pre-Reception and Reception applicants will be required to undertake an age appropriate assessment/taster session and provide a copy of their Healthy Child Programme Two Year Progress Review.

Junior Department: All Junior Department applicants will be required to spend a day in school with their year group and will be assessed in Literacy and Numeracy. External applicants must have a reference and report from their current school.

Senior Department: Year 7 – A Year 7 Entrance Examination is held in the Autumn Term prior to transfer. External applicants must have a reference and report from their current school and will be interviewed.

Senior Department: Year 8 – 10 – Entrance papers must be taken for entry to any part of the Senior School, together with an interview. These papers are taken at Farringtons, but may, exceptionally, be taken at a pupil's current school with their agreement. A report and reference from an applicant's current school will be sought.

Sixth Form: Admission to particular courses will depend upon availability of places and a student's prior attainment at GCSE. Our policy is to ensure that students accepted into the Sixth Form can be placed in appropriate courses where they are likely to succeed.

The minimum entry requirement is five GCSEs at Level 4 or above including English and Maths, usually with a grade 5-6 in the subjects to be studied. External applicants must have a reference from their current school and complete a Sixth Form Application Form. They will also be interviewed by a senior member of staff.

The school reserves the right to use its discretion, based on the school's knowledge of that applicant, to offer a place or suggest an alternative subject option. A full copy of our Admissions Policy is available on request from the Registrar.
