IMPORTANT INFORMATION

ENROLLMENT CONFIRMATION REQUIRED

Students must **confirm their enrollment each semester**, even if their account balance is covered by scholarships and financial aid with no additional payment due.

Confirmation is completed in Eagle Online each semester.

Due dates for confirmation:

Fall 2023

August 15, 2023

Spring 2024

January 9, 2024

EMAIL

In order to be well informed, it is critical that you routinely review your Tech assigned email, you may also submit a personal email address via Eagle Online under the "Personal Information" menu option. Keep the address current and frequently check for messages to all addresses on file since this is our primary means of communicating with you. When contacting our offices via email, please always include your T#.

EXCESS AID/DIRECT DEPOSIT

If you have more scholarships and financial aid than is needed to cover your fees, this overage is referred to as "Excess Aid" and is an amount which the university passes on to you by direct deposit into a bank account which you specify.

- If you have not already done so, you should sign up for direct deposit by following the steps at www.tntech.edu/bursar under menu item "Tutorials & FAQs." Your direct deposit authorization allows the university to deposit excess aid and other refunds directly into the designated bank account.
- Students are promptly notified by a system generated email each time the university initiates a direct deposit transaction.
- Students are required to participate in the direct deposit process in order to receive their refund in a timely manner.

MEAL PLANS

- Please select a meal plan in Tech Express **PRIOR** to confirmation.
- Meal plans **are not** activated until your student account is paid/confirmed. Please come to campus prepared.
- For more plan options, visit www.tntech.edu/aux/dining/meal-plans.php.

AUTHORIZED THIRD PARTY USERS

Students may set up authorized users in Eagle Pay to view their account information and make payments. Adding an authorized user is your consent that a specified individual may "view only" your account information and make payments on your behalf. Please note that authorized users **DO NOT** have access to your stored payment methods, academic records or other personal information.

- If you want to make payment as an authorized user (third party), please go to "Tutorials & FAQs" on our website at www.tntech.edu/bursar.

STUDENT INFORMATION RELEASE AUTHORIZATION

In compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), your student financial records may not be shared with a third party without written consent. **This is not the same authorization as an authorized user in Eagle Pay.**

- Parents wanting to ask questions about their student's records must be authorized by the student prior to information being released.
- Students sign into Tech Express > Profile > Student Information Release Authorization.
- Instructions are found on "Tutorials & FAQs" on our website at www.tntech.edu/bursar.
